BARING UNION CHRISTIAN COLLEGE

BATALA - 143505 (PB.)

COLLEGE PROFILE

Baring Union Christian College owes its existence to the vision and devotion shared and nurtured by Rev. Francis Henry Baring and Miss Charlotte Marie Tucker, and many other educational reformers. With mutual support Rev. Baring and Miss Tucker established Baring School in 1934.

To serve and empower the people of the region the school was upgraded to a College in 1944 upto Intermediate classes. In March 1947, despite the communal disturbances, the college started functioning again. After partition, this was the only Christian College in North-West of Delhi. A full graduate program was introduced in 1948 and Post Graduation was introduced in 1966. Baring is one of the oldest colleges in Punjab affiliated first to Punjab University, and later to Guru Nanak Dev University. Interestingly the country mansion of Maharaja Sher Singh (Son of Maharaja Ranjit Singh) was chosen as an ideal setting for learning by Rev. Baring.

Baring, a co-educational, partly residential college with about 2000 students and around 75 three layered faculty members, is committed to provide high quality undergraduate education in Arts, Science, Computer Science & Information Technology, Commerce along with postgraduate education in English, Punjabi, Hindi, Computer Science and IT. The college is affiliated to the Guru Nanak Dev University, Amritsar.

It is a Church related College. The Church of North India, Methodist Church in India, The Presbyterian Church of Canada, The Presbyterian Church in U.S.A. are its co-operating bodies. Along with its three sister institutions (Christian Institute for Religious Studies, Baring Collegiate Senior Secondary School and Baring School) the college is administered by Baring Union Christian College Association (BUCCA), a registered society. Presently the office bearers of BUCCA are The Most Rev. P.K. Samantary, (Bishop, Diocese of Amritsar), CNI (Chairman); Rev. Yunas Massey (Bishop, Diocese of Chandigarh (Vice Chairman) & Dr. Derick Engles (Honorary Secretary).

The college is located at Batala (Punjab) on the Batala-Jalandhar road, one and half kilometer from the local bus stand and close to the historic tomb of Shamsher Khan. The administrative offices are located in the historic summer palace of Maharaja Sher Singh. The sylvan surroundings of the college coupled with an excellent infrastructure provide a conducive ambience for scholarly pursuits.

Getting admission in Baring is a matter of great pride as our students not only graduate with excellent academic credentials but also feel a positive transformation taking place in their personality. One of the strongest reasons to choose Baring for pursuing education is the devoted and inspiring faculty with sound scholarship, teaching ability and personal integrity. The college encourages independent study and thought, freedom of discussion and easy access to a world of ideas through its liberal atmosphere.

Over the years Baring has built upon its strong history & legacy by ever striving with perseverance towards achieving the vision of its missionaries "of providing a community of well educated, successfully employed and positively engaged citizens who can contribute successfully in nation building."

Chairman's MESSAGE

Dear students,

Greetings in the name of our Lord Jesus Christ!

I welcome you into this prestigious and historical institution. As an institution of higher learning, Baring Union Christian College prepares its students to go out into the world as capable young men and women, equipped with the necessary knowledge and skills to be contributing members of society. The college has been consistent in maintaining high academic standards. It is constantly reinventing itself to accommodate the growing technological needs of the present generation while facilitating students' access to necessary resources. The setting up of a Book Bank and a WiFi-enabled campus are some such initiatives.

At the same time, the College has taken cognizance of the fact that the focus of a student is increasingly set on acquiring higher marks or grades that would qualify him or her to get admission into a good university. This single focus limits students to academics only while other important areas of education get neglected.

Our rapidly advancing society is faced with complex socio-economic, political and environmental challenges which have placed a heavy burden on those who are at the margins of humanity. Thus, along with academic and vocational qualifications, it is critically important to also cultivate values of social justice, equality, freedom, tolerance and dignity for all. To this end, the college strives to promote in her students moral values and cultured appropriateness, which have their foundation in the Biblical principles of love and compassion for all.

As stewards of God's creation on earth, it is our duty to be conscious of changes in our natural environment. Baring Union Christian College seeks to be a campus which is conscious of its ecological footprint and endeavours to maintain a flourishing environment for posterity. The institution places equal importance on the teaching of Humanities and Social Sciences alongside Natural Sciences and Information Technology for an integrated and holistic development of its students.

May God bless you! the staff and students of Baring Union Christian College, in the pursuit of your goals.

The Most Rev. (Dr.) P. K. Samantaroy

PG DEPARTMENT OF PUNJABI

College Chapel

In the midst of our modern buildings, the college chapel, built in 1897, still remains the most beautiful structure. There is abundance of artistic details throughout its structure. Most part of its design is of Rev. Henry Baring and it offers a striking blend of Sikh, Muslim and European architecture. The items of particular interest are the stained glass windows, the wood carving and the mosaic floor in the chapel. The large double door at the entrance is beautifully carved with Biblical symbols, parables and verses. The college begins its day's work with worship in the chapel. Both the staff and the students lead the service voluntarily. Chapel Prayer Hall remains open during college hours. Students & staff of all faiths are welcome to offer their prayers.

Rev. (Dr.) Vinita Roy

Along with providing guidance to their intellect, Baring college has always sought to nurture the spiritual faculties of students, the Counseling Centre on the college premises fulfills the psycho-spiritual needs of students. The counselor Rev. (Dr.) Vinita Roy, has been actively engaged in organizing various activities like seminars, meetings and counseling sessions etc. with students to provide a value orientation to their lives.

Supportive Services & Spaces

Library

The computerised Wi-Fi college library has earned a reputation for its vast collection of books. The three-storey library building has a seating capacity for 400 students at a time and it can stock more than one lakh books. The building provides all amenities for serious reading including fully air-conditioned library hall. At present, the library has more than 80,000 books on various branches of knowledge; it receives more than 80 journals / magazines / periodicals and daily newspapers. Besides this it has a good collection of maps and other non-book reading material. The library collection is well classified, catalogued and kept on OPEN SHELVES in a systematic way. The students have full freedom to take any book of their choice from the shelves, read and get it issued for home use. The library has • General Reading Hall • Newspaper and Magazine Section • Reference Section • Reading Room for Teachers • Science and Commerce Section • MA English Reading Hall • M A Punjabi Section • M A Hindi Section • M Sc IT & Computer Science section.

MA English Reading Hall has about 10,000 books on literature & criticism. The library is spacious and well furnished with individual carrels for serious study. MA Punjabi section has more than 7000 books on criticism with good number of journals on language and literature. All the post graduate students are required to study for two hours daily in the library and it is part of their attendance. Library collection is updated every year.

Book Bank

To assist the disadvantaged and deserving students the college provides Book Bank facility. This section has more than 18,000 books. Through this scheme text books are issued to the needy & meritorious students for full academic session.

Research Centre

A special computer lab having 10 computers with internet facility has been setup in the Dr. Ram Singh Library of the college for students and academic research scholars.

College Publications

The college magazine Deepshikha is published once in a year. It is a periodical of students and staff which contains articles, poems and stories of general interest besides the college news. It offers a chance to the students to manifest their creative and critical potential. The student editors of English, Hindi, Punjabi, Commerce, Computer Science and Science sections of the college magazine are selected on the basis of written tests.

Punjabi Virsa Kender

The *Punjabi Virsa Kender* is the modest effort to preserve and thus connect the youth of Punjab to its roots. In two halls on the second floor of the library, there is a veritable collection of artifacts, tools and implements that at once transports the spectator to the rich heritage of Punjab. The students along with faculty are encouraged to visit villages for collection of articles that reflect erstwhile Punjab.

Laboratories

The college maintains a good number of adequate Laboratories in Physics, Chemistry, Botany, Zoology and Computer Science & IT departments. Every year, a good amount is spent in upkeeping and modernizing the Laboratories, Museum, Botanical Garden; Physics Workshop and a Study Centre. Better research microscopes, projectors, microtomes, overhead projectors, oven, incubators, camera lucida have been added, making teaching of science much more sophisticated and quality oriented.

Botanical Garden

The college is proud to have one of the oldest, well maintained Botanical Garden in the entire region. Apart from providing a green feast to the beholders, it is utilized by the students of Botany department for practical research projects and assignments mentioned in syllabus.

Women Cell

Women's Cell of the college is a platform for redressal of grievances of girl students & lady staff members. Besides it creates awareness among students & staff regarding gender equality through guest lectures, seminars, discussions, plays and other academic & co-curricular activities. Dr. Rajni Bala is the Convener of the Cell.

On Campus Bank Facility

The State Bank of India has its branch in the college campus. Complete banking service including ATM facility is available to students and staff for sake of their convenience.

College Canteen

The college canteen & café offer beverages, coffee, tea snacks, sweets & other eatables at reasonable rates. There is a committee of staff and students which inspects the canteen periodically for the maintenance of proper cleanliness, discipline and quality of food served.

AC Conference Hall

The college has a Seminar / Conference hall which is fully air conditioned and well furnished. It can accommodate at least 125 participants. It is well equipped with multimedia projector to hold seminars, conferences & symposia.

Open Air Theatre

The college has a unique open air theatre located in green surroundings with seating capacity of more than 600. It is constantly used for cultural programmes, theatrical pageants & performances, stage rehearsals, mass awareness programmes and other co-academic functions.

Gymnasium

In order to maintain good health and make preparation for national and international sports & athletic competitions, the students can avail the facility of a well-equipped gymnasium inside the college. The Department of Physical Education takes keen initiatives to upkeep and maintain the gym equipments. Its overall incharge is Ms. Parminderjeet Kaur.

First-Aid Centre

The college has established a First-Aid Centre and health unit on college campus to provide immediate medical care to students and staff. A trained nurse is available to provide first aid, medicines and medical help.

Baring Alumni Association

Baring Alumni Association has been formed with an aim to provide a platform to former students of our college where they not only revive their past memories but also put forward their suggestion for the betterment of present generation of students. This association holds annual 'get-togethers' and honors Baring alumni who have made college proud. Many of the former Baring students continue to extend financial support to the alumni association. Presently Ms. Savita is Convener of the Baring Alumni Association.

Legal Literacy Cell

The Legal Literacy Cell (LLC), established in 2012-13 has organised various activities to create legal awareness among youth. The students of the cell participate in different events, organised by Legal Literacy Department of Punjab Government. Dr. Ritu Pandhi Nayyar is its new Convener.

Guidance, Counselling & Placement Cell

Students are quite often not clear about career options and opportunities. They need mature guidance for sorting out their confusions and dilemmas. To advise them in this matter, a cell has been set up in the college under the dynamic leadership of senior members of the staff. The Cell arranges guest lectures by experts and specialists from different fields. It also acts as a mediator between the job market and the students. Dr. Ritu Phandhi Nayyar is its Convener.

Guest lectures

Subject experts of high repute are occasionally invited by all departments to share their expertise with the students on aspects of the subject. This has been made a regular practice of time table, especially for post-graduate classes.

Orientation Program

On the day after admission, new students embark on a program of Orientation, which is planned to make them familiar with new work surroundings, and to prepare them for the year ahead. They are taken in groups to the library and instructed how to make the best use of it. They are acquainted with various rules and regulations which they must observe.

IGNOU Study Centre

Indra Gandhi National Open University (IGNOU) provides open access to higher education to all those people who cannot join the formal stream. A study center has been established in our college for the benefit of the people of Gurdaspur district and its surrounding areas. Baring's IGNOU centre offers Certificate in Computing (CIC), Bachelor Preparatory Program (BPP)-equal to 10+2, Diploma in Rural Development (DRD), BA, B.Com, BCA, MCA, MA (English), Prospectus for various courses is available from college office.

Dr. Sushma Sharma

Co-Curricular, Co-Academic & Social Service Programs

National Cadet Corps (N.C.C.)

The NCC Program offers an opportunity to cadets to develop character, comradeship and leadership. The syllabus includes weapons training, map reading, drill first-aid and citizenship. The cadets are also prepared for 'B' and 'C' certificate examination of NCC. In addition to the boys unit, the college has a NCC unit for girls also. Mr. Satpal Singh is the incharge of NCC in the college.

National Service Scheme (N.S.S.)

The activities of the NSS are oriented basically towards social welfare and development. Students get an opportunity to participate in special campaigns against socio-economic problems, and to motivate people of the adopted villages by organizing socio-economic developmental programs. Ms. Alka Bamotra has been appointed as Program Officer of NSS unit of the college.

Youth Red Cross (YRC) & Red Ribbon Club (RRC)

The Youth Red Cross unit has been actively working in the college since 2009-10. As a part of Indian Red Cross, its programs include promoting Humanitarian Principles and Values; Disaster Response; Disaster Preparedness and Health & Care in the community. YRC provides humanitarian help to needy students and staff in emergency situations. It organises Blood Donation Camps, Awareness Seminars on Health and Social Issues.

Red Ribbon Club is also active in college to encourage the students to learn about safe and healthy lifestyles; causes, effects and prevention of AIDS by organizing co-academic / co-curricular programmes and by showing educative movies. It enables the students to become change agents in prevention of AIDS.

Dr. Amita is appointed as Convener of YRC & RRC.

College Sports

Games and Sports are considered an integral part of modern education and training for healthy life. The college follows a planned program for sports activities. The college encourages practically all the games and sports recognized by the University. It maintains well kept relevant playing spaces and grounds for hockey, football, basketball, cricket, tennis, badminton, and boxing. There is a 400 meter track. The sports department of Government of Punjab has selected Baring College as a sub-centre for hockey, basketball, cricket and athletics. Ms. Parminderjeet Kaur is overall Incharge for sports activities.

The Students Christian Movement (SCM)

As a church related college, the BUC College encourages religious / spiritual growth by participation in the Students Christian Movement. Participation in worship service is however, voluntary. There is no religious restriction on students seeking admission. This students' body, in fact, includes people belonging to diverse faiths and religions. The SCM of the college is affiliated to the National Student Christian Movement of India. Students are enrolled on a voluntary basis. The SCM organises Bible studies, carol singing, youth camps, games, picnics, conferences, workshops and Christmas Programs etc.

Educational Tours

Traveling is a good medium of education. Realizing its importance, various departments / streams societies take their students to historical places, academic institutions, scientific research centers and other places which are relevant to their syllabi. At least two faculty members always accompany the student groups for their proper guidance & security. Dr. Jagvinder Kaur are staff advisors for educational tours.

Youth Welfare Program

The Department of Youth Welfare attempts to provide maximum opportunities and create conditions for students to develop into better and balanced personalities.

In collaboration with the Directorate of Youth Services Punjab, the college organizes various types of co-curricular activities for students to exhibit their talents. Dr. Jatinder Kaur its coordinator.

Clubs and Societies

The various societies in the college aim at expression to student's imagination and talents. They organize lectures, debates, declamations, exhibitions, dramas, educational film shows, tours etc. for the development of students. All these societies function under the guidance of respective teacher-in-charges. Specific aims & objectives and membership rules are framed by the departments concerned. It is mandatory for every student to be a member of at least one society or club. The following clubs and societies shall function in the college during 2023-24 under the supervision of the following staff advisors :

DEPARTMENTS AT A GLANCE

PG Department of English : Mr. Pawan Kumar (Head)

Since 1966 the Department of English is providing quality education to the students at the undergraduate and PG level. Our students have secured excellent placements in government and private sectors, others are successfully employed as teachers in some of the best institutions in the country and abroad.

The department library is one of the best of its kind in the region, the open shelf system allows easy accessibility to reading material on diverse subjects. Separate reading room and Wi-Fi connectivity are provided to the students. The English Literary Society (ELS) stimulates the creative instincts of the students by providing them a platform for dramatics, quiz, declamation and debates. Guest lectures, seminars, workshops are also conducted on a periodical basis.

Over the years the department has grown in strength and under the guidance of our experienced and dedicated faculty our students are regularly securing merit positions in the university.

With a degree in literature an individual has numerous career options. These include teaching, publication, politics, Public Relations, advertising and administration etc. There are also other professions which require critical thinking, interpersonal skills and revelations to a broad range of subjects. Industries too provide opportunities to employees with remarkable speaking, writing & cultural skills and cultural knowledge. Technical writing, media scripting and web production are upcoming fields with a huge market for candidates well versed in English.

PG Department of Hindi : Dr. Sushma Sharma (Incharge)

Post Graduate Department of Hindi is one of the oldest department of the college. Initially it was started as Department of Hindi and Sanskrit. PG was introduced in the department in 2004, since then the department has bagged five GNDU merit positions. Many PG students have been enabled to get good jobs in teaching, journalism and other fields. Some are pursuing their research work to explore the literary fineries in National language.

PG students have separate reading room in library enriched with four computers, valuable reference books and journals.

The 'Sahitya Chintan Manch' organises seminars, guest lectures

and various literary and co-curricular competitions. Hindi Diwas is celebrated in the department with fervour. Faculty members are dedicated to their work and contributing to the subject through innovative teaching, writing research papers & books and by participating in different literary programmes and seminars. The department has organised two days UGC sponsored National Seminar on 'Hindi ke Samikshatmak Sahitya Mein Punjabi Ki Bhoomika' in 2012, UGC sponsored National Seminar on 'Lok-Priye Sahitya Ke Sandharbh Mein Hindi Bhasha Mein Rachit Sahitya' in 2016 and extension lecture on Russian Literature in 2017.

PG Department of Punjabi : Dr. Jatinder Kaur (Incharge)

Post graduation in Punjabi was introduced in 1996. The first batch of MA Punjabi students created history by bagging the first five positions in the university. So far, six students of the department have won the university gold medal. Many of the students have qualified the UGC test for lectureship and even more have obtained the degree of PhD. Many of them are serving as teachers and principals.

The department is vigorously engaged in creating interest among students through literary society by organising functions, seminars and cultural programs. The students of Punjabi remain active throughout the year in promoting Punjabi culture by holding competitions like folk songs, plait braiding for girls and tying of turban competition for boys etc. The society also holds lectures,

discussions by writers and scholars from the region as well as diaspora. The department also organises educational tours from time to time. Apart from other extension lectures and seminars, the department organised a National Seminar on Punjabi poetry of 21st Century, Kavi Darbars and many book release functions from time to time.

PG Department of Computer Science and IT : Mr. Narinder Singh (Head)

Computer Science and IT Department has been established in 1991 with B Sc Computer Science, B Sc Economics and BA Computer Application courses. The department started its BCA & PGDCA in the session 2000-2001, M Sc Computer Science in 2004-2005 and M Sc IT in 2006-2007. In 2010-2011 two new courses DCA and B Sc IT have been introduced. The department has two units for B Sc Computer Science.

The department is well equipped with the latest computers and network servers. There are four Air Conditioned computer labs and one lab is equipped with LAN & Internet facility for under graduate & post graduate courses. For PG students multimedia

class room is available. The department is in ever growing mode as per the needs of students and offer courses in the field of computer science & information technology.

The able faculty of the department provides excellent teaching facilities in the district. Computer Science & IT society is active in organising Academic, Co-academic & Cultural activities in the college for multidimensional development of the students.

PG Department of Commerce : Dr. Ashwani Kansra (Head)

The Department established in 1975 has produced many CAs, Probationary Officers, Development Officers, Income Tax Officers, teachers and others working at good positions in private and public sector organizations at state and centre level. It has a good team of ten experienced and qualified teachers including two Ph.D. degree holders. The Department is upgraded to post graduate department by introducing M. Com. from the session 2016-17. It has established a separate accounting lab to train its students in accounting and statistical analysis courses like Tally ERP9, Busy, SPSS and others.

The department has set a good tradition of organizing extension lectures on the topics related to commerce and business with the focus on updating the students with latest developments in current business world. Besides teaching, the Department plays the role of a mentor and guides its students in pursuing their higher studies. It has to its credit excellent results produced every year. Above all, overall personality development through organizing co-curricular activities have been an extra edge of the department that polishes the hidden talent of the students and offers them a platform to prove themselves in other fields also.

Department of Physics : Dr. Mridula Dogra (Incharge)

Mankind has always been intrigued by nature and the natural phenomena. The subject of Physics provides the basis for the study of natural phenomena, Engineering, Technology, Computer, Robotics, Space Science, Astronomy, Communication, Information Technology, Astronautics, Oceanography, Geography, Automobiles, Nuclear reactors, X-Ray, and Radiotherapy Instruments, Bio-

technology, Nano-technology, Bio-Physics and Genetic Physics etc. Principles of Physics are applied in many fields. It is a highly interesting and scoring subject. It is offered in B Sc. (Non-Medical) and B Sc. Computer Science.

The department has three well equipped laboratories with individual computers, Dark Room and Mechanical, Electrical & Heat related equipments.

Physics Workshop : For repairs and upkeep of apparatus, students

are encouraged to design and work on projects in the workshop.

Competitive Examination : Apart from regular teaching, the department annually holds test at undergraduate & graduate levels, sponsored by the Indian Association of Physics Teachers (IAPT). The selected candidates are given guidance to compete in International Olympiads in Physics. The department library provides excellent help to students.

Department of Chemistry : Dr. Amita (Head)

Chemistry is a very important subject for students of science. It is indispensable for both medical and non-medical students. Quite often students entering college are deficient in their grasp of the basics of Chemistry. They have to take extra pains to come to terms with the intricacies of the subject. The department extends all facilities to students to enable them to develop an understanding of Chemistry. Well-equipped and fully modernized Chemistry laboratories facilitate the learning of the subject through practical exposure. The efforts of the teachers are reflected in the achievements of our students who are

...serving humanity as doctors, engineers, teachers and technocrats. A one week multidisciplinary Faculty Development Program on Environmental Security: Approaches & Issues was organized by faculty of Sciences at BUC College Batala from Nov. 5-11;2021 to provide the participants a comprehensive understanding of the concept of environmental security and the important issues related to it. The keynote address was delivered by Prof. (Dr.) AdarshPal Vig, Chairman, Punjab Pollution Control Board.

Department of Mathematics :

Mathematics plays an important role in the field of engineering, sciences, information technology and social sciences. This is the reason that the Department of Mathematics is an indispensable part of college campus. The department holds mathematics classes for the students of B Sc (Non Medical), B Sc

(Computer Science), B Sc (Economics), BA, besides catering to the students of B Com. The department also extends its services to prepare M Sc I (Computer Science) for Discrete Structures paper. Every year, the department arranges educational tours for the students.

Department of Zoology : Dr. Jatinderpal Singh (Incharge)

The knowledge about Zoological Science is significant for biomedical and agricultural research. This also acts as a guiding factor for some of the key issues like environmental planning, management of natural resources and conservation of wild life.

The Department of Zoology aims to develop learning, research and extra-curricular aptitude among the students. Majority of students after completing their studies from the

department get admission in medical, biomedical institutions and universities. Alumni of the department are serving as doctors, professors and researchers in various parts of the country and abroad.

The faculty members are specialized in nematology, reproductive endocrinology and environmental biology. The department is also contributing for popularization of

science in regional languages through book publications by the faculty. The department offers B Sc (Medical) course with specialization in economic entomology. The course work

includes anatomy, physiology, cytology, embryology, genetics, evolution, ecology, animal behavior, bio diversity of chordates & non-chordates.

Department of Botany : Dr. Rajan Chaudhary (Incharge)

The Department of Botany located in green and pollution free environment is engaged in advancing Biosciences and developing scientific research. The department has well maintained Botanical garden, herbal garden, museum and laboratories to enrich students by giving practical demonstration of the life processes. Field trips are arranged to different places for studying the floristic diversity. In the recent years, students have been imparted knowledge in

mushroom cultivation, distillation process and tissue culture.

The faculty members along with the students also participate in conferences, seminars, training workshops and presenting papers. The poor and needy students have an access to well-stocked departmental library to supplement their study. The department organizes quiz, declamation, awareness programmes, debate competitions and extension lectures by eminent scholars.

Department of Political Science : Dr. Lalit Kumar (Incharge)

Political Science is one of the oldest and popular departments of our college. Large number of students opt for Political Science every year. The subject proves very helpful in appearing for Civil Services examinations. Efforts are made to actively involve the students in the process of teaching, learning and evaluation. They are encouraged to ask questions in the class and to prepare regular assignments.

Current news of the last day's newspapers are discussed in the class. Occasionally, the students are sent to the field with a questionnaire to get empirical knowledge (like exit polls during elections).

The department runs Political Science Society managed by student office bearers to organize various kinds of co-academic and co-curricular activities including extension lecturers, seminars and cultural functions etc.

Department of Economics : Dr. Ritu Pandhi (Incharge)

Department of Economics is committed to impart high quality education in Economics to the students who opt for it as an elective subject. Economics is a very popular subject and attracts a large number of students whom the department endeavors to train as useful and worthy

citizens. Economics has acquired a very high prestige over the years and a degree in this subject is a gateway to various bright careers. Dr. Manmohan Singh's appointment as the Prime Minister of India and Dr. Amartya Sen's winning the Nobel Prize has enhanced the glory of this subject and its value for the students.

Our highly qualified faculty ensures that the students are thoroughly groomed in the fundamentals of Economics and develop the capacity for independent and original thinking. The students are encouraged to buttress their knowledge by drawing upon the books and journals available in our library.

Department of Sociology : Dr. Rajni Bala (Incharge)

Society is a complex phenomenon with a multitude of intricacies. It is impossible to understand and solve its numerous problems without the support of Sociology. It is the task of the sociologists to study social problems through the methods of scientific research. The systematic study of human affairs will enable us to improve the conditions of society. So, study of Sociology is indispensable for understanding & planning of society.

Sociology is offered as an elective subject at UG level. After getting the degree in Sociology students can work as Personnel Managers, Community Development Officers, Public Relations Officers in various government and non-government organizations. This subject also offers opportunities for competitive examinations

like IAS & PCS. Students of B A semester V & VI are given research projects to expose them to practical aspect of subject and with an experience of methods and techniques for systematic social inquiry.

The department has completed many projects with the help of students. Field surveys have been conducted in Batala on Old Age Home, Kusht Ashram, and Punjab Police and Public. This field study helps students in taking up different projects at PG level and higher studies. The department also encourages students to participate in activities under the banner of Voice of Young Sociologists (VOYS). Debates, discussions, cultural functions & talent hunt competitions are held through out the academic session.

Department of Philosophy : Mr. Neeraj Kumar Sharma (Incharge)

The Department of Philosophy is one of the most vibrant departments in the college. Established in the early seventies, it offers Philosophy as one of the elective subjects at UG level. The study of the Philosophy gives students an understanding of different schools of thought in Indian and Western traditions. As the mother of all sciences, the subject sharpens the students' intellect. The course at BA level includes: the Knowledge of Logic, Reasoning, Human Rights; Values of Equality, Justice and World Peace; Culture, Civilization; Indian and Western Ethics, Theories of Reality and Knowledge. To make the subject in tune with times, III & IV Semester students are offered the option of 'Applied Ethics' which includes practical exam on topics related to ethical aspects of Ecological Crisis, Over-Population, Genetic Engineering, Mercy-Killing; Medical Ethics, Legal Ethics, Education Ethics and Business Ethics etc.

Many of the graduates of Philosophy have gone into PG courses, research, teaching, marketing, civil services and other allied fields. As high scoring subject it helps not only in getting good marks in graduation but also helps students in grasping other disciplines. The subject is popular among IAS & PCS aspirants.

The department has organised 'Indian Council of Philosophical Research (ICPR), New Delhi sponsored Periodical Lectures' by eminent scholars on 'Moral Crises in Present Times' (2014) & 'Relevance of Applied Ethics in Present Times' (2016).

Association of Philosophical Thinkers (APT) managed by student office bearers organizes programmes to develop students' intellectual, ethical and cultural / aesthetic faculties. Extension lectures, seminars, debates, declamation contests, group discussions, essay writing competitions, educational tours & cultural programs are also held by it.

Department of History : Mr. Paul Rajive McMullen (Incharge)

The History department of the college offers courses in Ancient, Medieval and Modern History. The

eminent Head of this department has been Dr. W.H. McLeod, author of well known publications on Guru Nanak Dev and Sikhism. Other well-known Heads of department have been Dr. Webster – an expert on the Dalit movement in India and Mr. R.M. Chaudhary who has researched on "Primordial Religion in Edinburg".

Library is well stocked with books on history. The students of history are encouraged to go beyond the syllabus by undertaking field work and research. The department also organizes educational tours, seminars and discussions on issues related with history.

Sports play vital role in a student's life. It helps them to adjust socially. Sports person learn to develop their leadership qualities. Apart from these qualities, sports is considered the best source of growth and development for children. Keeping the importance of sports in mind, our department not only helps students to participate in various intramural sports events, but prepare them for extramural competitions at intervarsity and other levels.

We organize many outdoor sports activities like football, volleyball, basketball, Cricket and Kabaddi. Badminton, Chess and table tennis competition are organized indoors. Both boys and girls participate in these activities voluntarily. All the students are motivated to participate in these activities by organizing these competitions at inter-departmental levels Athletics is main event in which maximum students participate in all the track and field events.

Our boys and girls have been getting trained all through the year for competitions higher level like intercollegiate and state and national levels. This year the girls participated in intercollegiate badminton, Cricket and karate competitions. Our boys weren't left behind and they competed at

intercollegiate cricket, volleyball, athletics, badminton and kabaddi tournaments. They relay team of our boys won bronze medal at intercollegiate levels.

The boys participated in best physique competitions at state levels and one of our students won medal in open best physique competition organized by khelo india. The football boys also participated in open competition held by Gurdaspur sports department.

We understand the feat that all the students can't become sports person but we also know that they can be encouraged to keep themselves fit because a healthy mind resides in a healthy body and if they remain healthy they can lead a good life. Thus, the students maintain their fitness level in the gym which remains open for them all through the day. Although the session remains busy for the sports department every year but we feel highly motivated when we see our boys and girls came up with lots of positive changes in their overall personality. The department wishes to give all the credit to our worthy Principal, Prof. (Dr.) Edward Masih with whose far sightedness this participation of the students could be made possible. We hope and wish that the students keeps getting indulged in more sports activities in the coming years.
